About the Investment Association

The IA champions UK investment management, supporting British savers, investors and businesses. Our 250 members manage £10 trillion of assets and the investment management industry supports 113,000 jobs across the UK.

Our mission is to make investment better. Better for clients, so they achieve their financial goals. Better for companies, so they get the capital they need to grow. And better for the economy, so everyone prospers.

Our purpose is to ensure investment managers are in the best possible position to:

- Build people's resilience to financial adversity
- Help people achieve their financial aspirations
- Enable people to maintain a decent standard of living as they grow older
- Contribute to economic growth through the efficient allocation of capital.

The money our members manage is in a wide variety of investment vehicles including authorised investment funds, pension funds and stocks and shares ISAs.

The UK is the second largest investment management centre in the world, after the US and manages over a third (37%) of all assets managed in Europe.

IA Culture and Values

Our Values

At the IA, we are committed to serving our members, embracing new ideas and striving for excellence. We are inclusive, considerate and act with integrity in all we do.

@The Investment Association

We are committed to creating a diverse and inclusive UK investment and savings industry at all levels, including in our own organisation.

We welcome applications from all qualified candidates regardless of their ethnicity, race, gender, religious beliefs, sexual orientation, age, marital status or whether or not they have a disability.

Initiatives:

- We signed the Women in Finance Charter in February 2017. Sponsored by HM Treasury, the charter is a pledge for gender balance across financial services.
- We voluntarily publish our gender and ethnic pay gaps each year.
- We signed the Race at Work Charter in January 2020. The Race at Work Charter comprises five calls to action to ensure that ethnic minority employees are represented at all levels in an organisation.
- The IA is a founding partner of the Change the Race Ratio (CTRR), a business led initiative launched by the CBI to increase racial and ethnic participation in British businesses. As signatories of the CTRR, we have committed to set targets to increase the racial and ethnic diversity of our Board and senior leadership team.

Wellbeing

At the IA we actively seek to promote the wellbeing of our staff; alongside our benefits and flexible working policy, we have an active program of wellbeing initiatives across four key areas:

- Mental and Physical Health
- Sustainability and the Environment
- Volunteering and fundraising
- Diversity and Inclusion

The Stewardship, Risk and Tax Team

Building the industry's capabilities in stewardship, sustainability & responsible investment is a key pillar of the IA's strategy: We work with authorities, asset owners and investee companies to define and implement 21st Century stewardship, responsible investment practices, regulatory frameworks and investor relations and communications that support the economy, and society's recovery from the crisis and builds foundations for sustainable growth.

The successful candidate will lead the Stewardship Policy team in the IA's Stewardship, Risk and Tax Team. This team is responsible for promoting and enhancing our members role as long-term responsible investors on a wide range of material risks and ESG issues; setting investors' expectations of FTSE listed companies and holding them to account; and supporting a coherent regulatory environment for stewardship and corporate governance.

The Stewardship Policy team works closely with the IA's Institutional Voting Information Service, IVIS, one of the UK's leading providers of corporate governance research and signatory to the UK's Stewardship Code. Members of the UK and international investment community subscribe to the IVIS service to help them exercise their voting rights and to enable them to make more informed voting decisions.

The Team's current strategic priorities are:

1. To promote a coherent regulatory environment for stewardship and corporate governance that supports sustainable value creation in investee companies and drives alignment of expectations across the investment chain.
2. To promote and facilitate the highest standards of stewardship practice by supporting member firms to integrate stewardship and ESG considerations in the investment process, to meet emerging regulatory requirements and to engage effectively with client demand.
3. To help supporting a sustainable economy which prioritises long-term value creation for clients alongside benefits for the economy, society and the environment. To demonstrate the impact that investors can have through their role as stewards and the important role of stakeholder voice in a sustainable recovery.
4. To promote coherent corporate reporting standards and practices that support sustainable value in investee companies and assist members to make informed investment decisions and meet their reporting requirements. To promote high quality, user-driven, audits.

The Stewardship policy team delivers on these priorities through:

- Responding to Government and regulator consultations from BEIS, HMT, FRC, FCA and other key stakeholders
- Setting out investor expectations of FTSE listed companies to on a wide range of ESG issues.
- Maintaining the world's first public register of significant shareholder dissent
- Building constructive relationships with policymakers and other key stakeholders in the UK and globally.
- Developing guidance; position papers and research on a wide range of ESG issues.

The team is responsible for several Committees and working groups which provides strategic direction from the membership on a wide range of policy areas:

- Stewardship Committee (Senior Committee)
- Corporate Reporting and Audit Group
- Stewardship Reporting Working Group
- Remuneration and Share Schemes committee
- Fixed Income Stewardship Working Group

Overview of the Role

The IA is looking to appoint maternity cover to support the IA and its members at a time when Investment Management has been thrust into the spotlight due to its sheer structural importance to the UK economy.
