Note - Each month small revisions to figures may have been made since previous press release. This reflects additional information received.

[^] Includes IMA estimates for fund supermarkets sales of £245 million gross and £58 million net in February 2009. Corresponding figures for January 2009 were £216 million and £52 million.

As of April 2008 PEPs were consolidated into stocks and shares ISAs. ISA data shown for periods prior to April 2008 also combines PEPs and ISAs, except in the case of fund supermarkets where it reflects ISAs only.

[♦] From January 2007 IMA figures include additional institutional funds which account for larger fluctuations in institutional and consequently total sales; there is no longer a £50,000 minimum lump sum constraint.
