*Overseas funds comprise open-ended investment funds which are domiciled outside of the UK, FSA recognised and sold into the UK with distributor status. Figures reflect sales and FUM to UK investors only.

[^]As of April 2008 PEPs were consolidated into stocks and shares ISAs. ISA data shown for periods prior to April 2008 also combines PEPs and ISAs.

Note: Each month small revisions to the figures may be made since the previous release. This reflects additional information received.

From June 2009 figures include an additional group for which figures for prior periods are not yet available.
